Early Career Teacher Programme

September 2026 – July 2027 - Cohort 6 Year 1 ECTs

Information for your cluster:

ECTs should attend the **facilitated learning event for their subject specialist cluster**, as listed below.

If an ECT is unable to attend their subject cluster session, they should attend an **alternative facilitated learning event taking place in the same week** to ensure engagement each half-term.

Tuesday Cluster: English, Humanities (RE, Geography, History, Citizenship), MFL (French, German, Spanish), Social Sciences (Sociology, Psychology, Politics), Business/Economics, IT/Computing.

Thursday Cluster: Maths, Science, Arts (Art, Design Technology, Drama, Music, Film/Media, PE/Dance).

Secondary ELTSH Clusters – Y1

Final Local Learning Community 6	Thursday	1	08/07/2027	PM *	Online

*Please note venue locations will be shared upon confirmation. Timings are indicative only.

Facilitated learning events organised by our Hub:

- Bring teachers together from different settings to foster new professional networks.
- Allow participants to review their learning from new perspectives.
- Are led by facilitators with expert local subject knowledge.
- Offer limitless possibilities for more informal networking and collaborative learning.

Curriculum Overview: The **first year** comprises six modules designed to reinforce core teaching principles and practices first met in your ITE. It focuses on professional responsibilities, effective classroom practice, and understanding pupils' learning needs.

Appendix:

*Please note venue locations will be shared upon confirmation. Timings are indicative only.

Facilitated learning events organised by our Hub:

- Bring teachers together from different settings to foster new professional networks.
- Allow participants to review their learning from new perspectives.
- Are led by facilitators with expert local subject knowledge.
- Offer limitless possibilities for more informal networking and collaborative learning.

Curriculum Overview: In **Year 2** our ECTs deepen their knowledge through a practitioner inquiry. They revisit, personalise and extend their learning by creating their own questions and conducting investigations in their own classrooms. This approach equips teachers to continue learning through their careers.
