Registering new participants - ELTSH ECT Programme, April Registration

East London Teaching School Hub — Connecting Hackney and Tower Hamlets Schools

If your Early Career Teacher (ECT) is beginning statutory induction in the Summer Term, they will follow UCL's Summer Starter Programme before joining the main programme in the Autumn. This is to enable them to follow a good sequence of learning and benefit from joining peers at a similar stage through facilitated sessions. More guidance on this is provided here.

Register on DfE service

- Induction Tutors should register each new mentor or ECT on https://manage-training-for-early-career-teachers.education.gov.uk/users/sign_in. Please ensure that email addresses are accurate and professional school addresses. *

Register with AB

- Induction Tutors should register each new ECT with ELTSH Appropriate Body Services on ECT Manager: https://eastlondontsh.ectmanager.com/Login.aspx . For information on service charges and support see here. &

Access to UCL Extend

- UCL will send the new participant log-in details for UCL Extend, the online learning platform. Summer Starter materials will be available from 27th March 2027.

Access to local clusters

- ELTSH will inform the Induction Tutor and ECT/ Mentor which local cluster they will join from September.

Welcome

- New participants will be invited to a welcome event on 21st April where we will provide further guidance on the key activities in the summer term. Please note these are different from the activities other ECTs are engaged in.
- The ECT will join the main programme in Autumn, starting with Module 1.

Induction Tutor prepare

- The Induction Tutor should check that the participant has everything they need to engage positively, including ensuring the mentor-ECT meetings are scheduled and timetables are appropriate. Guidance here.
- Induction Tutors are encouraged to attend our optional online Drop-ins.

Additional guidance on registrations:

***DfE Service**: For information on ELTSH ECF programme see https://www.eastlondontsh.org/early-career-teachers/ecf-programme/
On the DfE service, choose the **provider-led route**. UCL is the Lead Provider. East London TSH are the Delivery Partner. We work with four local partners to offer phase and subject-based local clusters. You will need their **full name, date of birth and TRN**.
