Induction Tutor Drop-ins (Appropriate Body and ECTE)

Each half-term we host an online drop-in session for Induction Tutors working with us on the ECTE programme. These informal sessions offer an opportunity to ask questions, learn from colleagues and find out more about the key activities in the programme. A short overview of the ECF Module activities occurs at each Drop-in from 4:15pm. Once per term, colleagues from our Appropriate Body Services join from 4:45–5:30 pm to support with statutory assessment queries. Joining instructions are sent via email or available on request at ecf@eastlondontsh.org.
